Declaration of Conformity: RED, REACH and RoHS Compliance and Packaging Compliance

Alien Technology, LLC declares under its sole responsibility that Alien Readers are compliant with the following directives of the European Union:

- 2014/53/EU Radio Equipment Directive (**RED**): EN 302 208 V3.1.1, EN 301 489-1 V2.1.1, EN 301 489-3 V2.1.1
- Directive 2002/95/EC (RoHS 1), 2011/65/EU (RoHS 2) and 2015/863 (**RoHS 10**) on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS);
- Under the structure of **REACH** regulations, Alien Technology, LLC is a manufacturer of articles (as defined by the European Chemicals Agency aka ECHA). Alien does not manufacture “substances” or “preparations” and our articles do not involve “intentional release of substances”. Therefore there is no regulation or authorization requirement for Alien products.

Based on Alien Technology Corporation (“Alien”) manufacturing methods, supplier test data, declarations and lab testing, Alien assures customers that the products comply with the RoHS directive and REACH regulations as of the date of this letter.

The compliant products are identified by model numbers starting with ALR which includes all current Alien reader products.

We believe this information is accurate and is offered in good faith. This information is subject to revision when additional knowledge/information is gained.

Sincerely,

For Alien Technology Corporation
Authorized signatory,
Neil Mitchell
