Welcome to the Alien Academy!

Thank you for registering for the Alien Academy. We look forward to your upcoming participation. Attached, please find recommended accommodations, travel logistics and dining guides for our RFID Solutions Center, located in Dayton, Ohio.

We look forward to hosting you soon!

Travel Recommendations

We recommend flying into Dayton the day before the first day of training.

The recommended hotels are approximately a five minute car ride from the facility. Several of these offer discounts to Alien Academy attendees. To take advantage of these discounted rates, please ask if they have an "**Alien Rate**" when registering.

Daily Logistics and What I Need to Bring

Please arrive at the center **15 minutes** before the scheduled start time. Classes run from **8:30am to 5pm** daily. For best results, please **bring your own laptop** (if possible). This allows you to use your own laptop during practical sessions and leave the class with a functional software setup tuned for your personal needs. Breakfast, lunch and afternoon snacks are provided. Other than that, come with enthusiasm and lots of questions!
